YCC-2019 Eligibility Standards

The YCCI Programs Director reserve the right to consider, approve, or decline all applications, and maintain the right and authority to dismiss any participant from YCC-2019, and other programs based on the best interest of the organization, and the safety & welfare of all participants, families, stakeholders, and collaborative partners associated with YCCI regardless of the applicant's eligibility status.

The primary focus of Youth Career Camp 2019 are youth and young adults age 14 to 21. Applicants are asked to adhere to our application process. Attempts to bypass this process may affect the outcome of the request. YCCI is committed to replying to all application requests within 48 hours from the date of submission. To participate in YCC-2019 applicants must meet the following criteria:

- Participants must turn the age 14 by June 4th, and have parent/guardian representation
- Participants age 18-21 undergo a mandatory criminal background check
- Participants with criminal convictions must obtain approval from the appropriate State agencies and Department of Juvenile Justice.
- Participants with behavioral diagnoses must obtain written recommendation/approval from their treatment specialist.

Although YCCI Statesboro is willing to accept participants from other regional and National locations based on space availability, we primarily focus on the Southeast region of Georgia. Applicants from low income families and rural areas commonly receive priority in program placement.
